

# European Master of Educational Management

## Exciting Locations

2 years, 3 countries, 5 cities, 1 program: we are a consortium of universities based in different European countries and we want to share with you the opportunity to explore our entire network.

## Ready to Roam?

We have designed a program that will allow you to spend quality time at five different locations where we offer you an exciting blend of classroom instruction, leisure & cultural activities as well as sightseeing opportunities at the following locations:

### Adventure Campus Treuchtlingen (Germany)

The program kick-off will be hosted at the exciting Adventure Campus by the University of Applied Management. The Adventure Campus is located in the beautiful nature park *Altmühltal* which can easily be reached by car, train or airplane. The campus offers modern teaching facilities, full room and board, as well as a great variety of land-based, water-based and air-based leisure activities.

### The Private University College of Education of the Diocese of Linz (Austria)

As one of the leading pedagogical universities in Austria, students are able to enjoy all the facilities such as the library, the great concert hall as well as the beautiful campus park. The city of Linz has earned the title of European Capital of Culture 2009 offering a wide range of music, theatre, film, history and art. During the winter season nearby skiing areas offer students great opportunities to enjoy the beautiful Austrian Alps.

### Riga Teacher Training and Educational Management Academy (Latvia)

Riga has been an important centre of trade, finance and culture for many centuries and offers a dynamic and diverse music and art scene. For students, it offers its rich history, architecture, spacious gardens and parks, museums, art galleries as well as many cafés, clubs and pubs.

### University of Applied Management Berlin or Erding (Germany)

The university has several campuses in Germany: Berlin is one of the hippest and versatile cities in Germany with lots of interesting historical sights such as the Brandenburg gate and the Reichstag as well as a huge cultural scene with modern art, cabaret, theatre, one of the world's best philharmonic orchestras, art galleries and coffee shops.

Erding is a charming town only 35 km from Munich and famous for the original *Erdinger Weissbier*. Due to the nearby Munich Airport and several large corporations, Erding has quite an international feel blended with authentic Bavarian culture.

### Private University of Seeburg Castle (Austria)

In the heart of the wonderful Salzburg "Land of Lakes", the university offers an attractive environment for our students. The university is located in the Seeburg castle in close vicinity to Salzburg and to public transportation. The castle is one of the main attractions in the region and was redesigned to meet the needs of students and refurbished to be a modern and innovative university at a fantastic location
